

## NEW PACKAGING FOR PICOS DE PAN

Same great product, “better-than-before” box!

Our new retail-friendly packaging now comes  
16 units per case.

Available in Natural and Whole Wheat.

## INTRODUCING OUR TWO NEW MARMALADES FIG AND MANDARIN

The Fig Marmalade is made with Pajarero figs,  
giving the spread an overall lighter color.

The zest from the citrus fruits give the mandarin  
marmalade a very refreshing taste.

Both pair nicely with biscuits, crackers, cheeses and tortas.

## DULCE DE LECHE

Individually wrapped creamy soft caramels,  
packaged in a clear gift box, adorned with a ribbon.

Perfect in gift baskets, candy dishes,  
or an after dinner sweet treat!

HIGHLY ADDICTIVE!! (You’ve been warned!)
